

FOR IMMEDIATE RELEASE
July 14, 2017

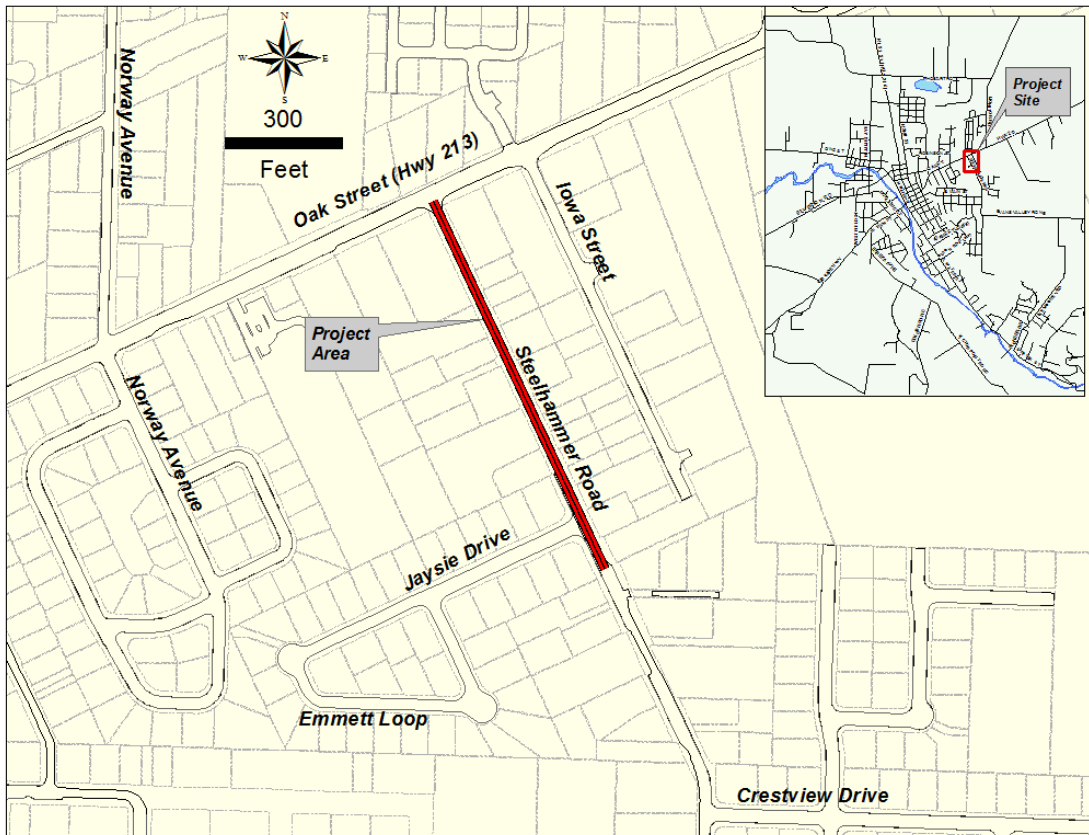

Public Works - City of Silverton
306 S. Water St.
Silverton, OR 97381

TRAFFIC ADVISORY

Steelhammer Road Improvements PH 1

The Steelhammer Road Improvement Project PH I will take place starting July 24, 2017 through November 24, 2017. The project area is from Oak Street to Jaysie Drive. During the project work hours (7am-5pm, Mon-Fri), traffic will be reduced to one lane with possible delays of up to 15 minutes. Drivers are strongly encouraged to use alternate routes. Traffic alerts will be provided as needed. For more information regarding this project, please go to the City website: www.silverton.or.us/steelhammer.

Please contact the Public Works Administration Office if you have any questions or concerns at 503.873.8679. The City Project Manager is John Cramer, Sr. Engineer – 503.874.2209.
