TRAFFIC ADVISORY

Street Maintenance Fee Project – Crack Sealing: July 17– 20, 2018

Crack Sealing will take place on the streets and dates listed below. Please avoid traveling in the construction zones if at all possible and watch for flaggers, traffic control devices, and “NO PARKING” signs. **There may be minor traffic delays.** The crack sealing work being done is in preparation for the slurry sealing that will take place in the later part of July 2018. This will ensure the resurfacing of these streets will result in the maximum benefit to the City.
