The potential of a quorum of the Silverton City Council, Silverton Planning Commission, and the Affordable Housing Task Force may attend the Housing Virtual Open House held through the Zoom meeting platform. The objective of this Open House is to educate attendees about House Bill 2001 which was passed by the Oregon Legislature and requires Silverton to allow duplexes on every lot or parcel zoned for single-family residential development. In addition, attendees will be asked to provide input on development code concepts for duplexes and other middle housing types. No decisions or deliberations will be made at this event.
