Structures and storm sewer systems (per fixture)	x	16.87

Commercial Plan Review Requirements

Plan Review – Job Involving (if yes to any, plan review required):

Yes / No

- Medical gas and vacuum system for healthcare facility?
- Chemical drainage waste and vent system?
- Sewer wastewater pretreatment?
(Grease pretreatment systems do not apply)
- Vacuum drainage waste and vent system?
- Commercial potable water pressure booster pump system?
- Water service line with interior diameter of two inches or larger?
Exception: those two inch systems which have been designed and stamped by a licensed engineer.
- Residential multi-purpose or continuous loop fire suppression system?

Two sets of plans must be submitted and plans review fees paid if you answered yes to any of the above questions.
