Overview

Due to the COVID-19 pandemic, the use of City facilities will have additional requirements for anyone wishing to use space at the Community Center facility; this may include groups that have not traditionally been subject to use policies. This document is an addendum to the City of Silverton Special Event Policies document and as such will be adhered to in addition to all other City of Silverton policies, rules, and codes related to the use of City-owned property.

Additional Requirements

In addition to the City of Silverton Facility Use Policies, the permittee/event organizer is required to adhere to the most current City of Silverton requirements and as applicable, OHA Sector Guidances for Eating and Drinking Establishments, General Guidance for Employers, Retail Stores, Outdoor Entertainment Establishments, and any other local, state or federal requirements related to COVID-19 which is in place at the time of the event(s).

Current guidance from the Oregon Health Authority can be found here: <https://govstatus.egov.com/OR-OHA-COVID-19> or paper copies can be requested from the Special Event Coordinator (contact information above).

I acknowledge that I have received a copy of the City of Silverton Facility Use Policies and the COVID Addendum, including the most current Oregon Health Authority Sector Risk Level Guidance Chart, which describes important information about the use of City of Silverton parks and facilities.

Since the information and policies described here are necessarily subject to change, I acknowledge that revisions to the Facility Use Policies and Addendums may occur. I understand that the City of Silverton may change, modify, suspend, interpret or cancel, in whole or part, any of these policies. Such revised information may supersede, modify or eliminate existing policies.

I understand and agree that I will read and comply with the City of Silverton's policies, including adherence to the most current and relevant Oregon Health Authority Guidance and any revisions. I am bound by the provisions contained therein, and that my permitted use is contingent on following those policies.
